We are happy to have you apply for this scholarship. The purpose of this scholarship fund is to reward young people who have demonstrated outstanding leadership abilities, excellence in academics, involvement in school, outdoor activities and community, with the opportunity of furthering their education. Please be sure to fill out this application completely and post mark it by **April 30th, 2025**. Applications postmarked after this date will not be taken into consideration.

In 2016, the committee members of the Tu-Mile Quail Coalition made the decision to break away from the Quail Coalition of Texas, and formed an independent group now known as the TU-Mile Sportsmen's Association. Doing this allows us to have complete control of all the money we raise, which ensures that every penny raised will be used to benefit our members and youth in the Walker, Grimes, Madison, Houston and Trinity Counties. Our goal is to enhance the lives of our members by providing opportunities to learn about and appreciate our land, water and wildlife, while supporting our youth and their continued involvement in outdoor sports.

This year we will award scholarships to deserving individuals involved in outdoor sporting activities and/or the Tu-Mile Sportsmen's Assoc. Recipients will be notified via email by the Tu-Mile Scholarship Committee by May 15, 2025 .
